

SOSU H

Integration and care mediator for Ukrainian children in Danish child care institutions and schools

A training course for Ukrainians with residence permit under the Special Act

About the course

This training course qualifies for employment as an integration and care mediator in Danish day care institutions, SFOs and schools.

As an integration and care mediator, the task is to translate, build bridges and help to ensure the integration of the Ukrainian children in the Danish institutions. The task is also to be a mediator between the children, the staff and the parent groups.

During the course you should be able to understand Danish society, the labor market, institutions and the Danish culture and pedagogical approach.

The teaching language is English.

Content:

Assistants in day care institutions for refugees and immigrants

AMU no 47485 - 222 hours
6 hours per day/37 days
(equivalent to 6 weeks full time training)

Who can participate?

People who

- are covered by the Special Act for temporary residence, as well as other unemployed people who are able to complete a course in English
- does not have a Pedagogical education, but preferably have an other vocational or higher education from the home country.
- understand and speak English (future employer or Jobcenter decides if the English level is sufficient)
- are considered unemployed

People who can participate are represented in the red box below.

People without a Pedagogical education		People with a Pedagogical education	
with English skills	without English skills	with English skills	without English skills

According to the Special Act, Ukrainians with a residence permit and relevant education, as well as good English skills, have the opportunity to apply for employment if they meet the requirements for the function in question. People without, or with limited English skills, must take courses at the language center.
